

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Observance of Memorial Day Holiday

MEETING DATE: April 7, 1993

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: That the City observe May 31, 1993 as the Memorial Day Holiday.

BACKGROUND: The City's Memorandum of Understanding with General Services, Maintenance and Operators, and the Electric Unit calls for a fixed holiday, Memorial Day, on the fourth Monday in May.

The actual holiday which will be observed by (among others) the State of California, the Federal government, banks and San Joaquin County, will be observed on May 31, 1993, the fifth Friday of the month.

I have discussed this inconsistency with representatives of all MOU units and have reached agreement that the City, likewise, should observe that holiday on May 31, 1993.

Council is therefore requested to concur that the City will observe Memorial Day on May 31, 1993, rather than May 24, 1993.

FUNDING: No change.

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager
